OTHER BUSINESS ON THE SPEAKER'S TABLE

PROTEST

Mr. Speaker: I protest the actions of the Chair made on January 30, 2020, as is my right under Article 4, Section 26 of the Indiana Constitution.

On January 30, 2020, I filed a house motion, Amendment 7 to House Bill 1414. When Second Reading amendments on House Bill 1414 were under consideration, the Chair recognized me and I called down my house motion, Amendment 7.

During the debate of Amendment 7 on the house floor, another member moved for a roll call vote on the amendment. The motion was properly seconded.

However, the Chair then violated House tradition and comity by ordering the vote without allowing me the opportunity to close the debate on my amendment. As the Chair opened the machine for voting, I made a point of order that I had not been given the

opportunity to close. The Chair acknowledged my point, and allowed me to make a closing statement. However, the Chair left the machine open during my statement, and members were casting their votes while I was speaking. The Chair left the machine open during my time speaking and closed the vote out after I had finished.

Pursuant to House Rule 42, and by tradition, all amendment authors are recognized first to speak, then to make a closing statement after all other members who wish have had the opportunity to speak. At no other time during this session has the Chair opened the voting machine before a member was given the opportunity to close on their amendment. In fact, I can find no record of such behavior during any previous session. During my closing statement, I made a timely motion pursuant to House Rule 79 to withdraw Amendment 7 from consideration by the House. House Rule 79 allows a house motion to be withdrawn by the motion author "at any time before a decision or amendment" is made by the House. In violation of House Rule 79, the Chair denied my right to withdrawal my motion.

These tactics by the Chair have not been used on any other second reading motion made by any other member during this session, nor any other session that I can find. I strenuously object to the Chair's disregard for the House Rules and traditions. It is essential that House Rules and procedures be applied fairly and evenly to all house members.
